

QUICK BYTE

These activities

were created to help my PreK and Kindergarten students learn the parts of an iPad.

In order for students to independently use an iPad, they need to know what the different parts do.

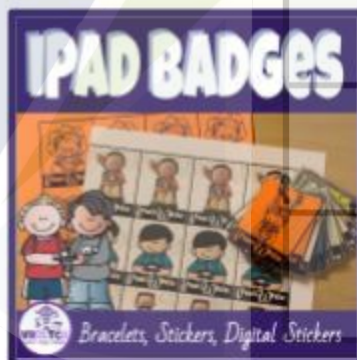

How to turn down the volume, move between apps, close apps, and more!

INCLUDED:

- [Parts of an iPad poster](#) → print & display
- [Tips for using the activities](#)
- [Label Parts of an iPad](#)
- [Parts of an iPad Cut & Paste](#)
- [Parts of iPad Mat](#)
- [Parts of an iPad Answer Key](#)
- [Parts of an iPad for Google Slides](#)
- [Parts of an iPad for Seesaw](#)
- [Parts of iPad Self Correcting Game](#)
- [Directions for Digital Activities](#)

WATCH [this video](#) to see how to add an assignment to Google™ Classroom.

Digital Parts of an iPad™

If you have not already, click here to get your copy of [Parts of an iPad](#). When you click, it will force you to make a copy and will be added to your Google™ Drive.

To use with students in Google™ Classroom, you need Google™ Classroom activated for your school. Once you add [Parts of an iPad](#) to your Google™ Drive, you will be able to add it as an assignment.

If you don't have Google™ Classroom, this activity can still be completed in Google™ Slides. After adding [Parts of an iPad](#) to your Google™ Drive, you will need to make a copy of the file to use with students. If you don't do this, your students will edit your copy.

Seesaw Activity

WATCH [this video](#) to learn how.

Use **SERIES** **bee** **DRAW ON** file.

To use with students in [Seesaw](#), you need a [Seesaw](#) account, have a class created, and students added to the class. Follow these steps to use in [Seesaw](#):

- First, click the link in this resource to add the activity to your library!
- Click the GREEN +
- Click ASSIGN ACTIVITY
- Click the ACTIVITY YOU JUST ADDED TO YOUR LIBRARY
- Choose the classes you want to assign it to.
 - You can even choose specific students. This is a great way to differentiate by interest!
- Decide when to assign the activity:
 - If now, click ASSIGN.
 - If later, click SCHEDULE and choose your date and time. Then click SCHEDULE.

SELF CORRECTING GAME THAT HELPS STUDENTS
LEARN THE PARTS OF AN IPAD.

WHEN THEY GET THE ANSWER, IT MOVES ON TO
THE NEXT QUESTION. IF THEY GET AN ANSWER
INCORRECT, THEY GET A HINT & CAN TRY AGAIN.

ASSIGN TO STUDENTS OR PLAY AS A WHOLE
CLASS.
